

Las fabricas de alimentos cuidan de no contaminar el producto con peligros físicos, químicos y biológicos.

Las personas que trabajamos en las áreas de mantenimiento debemos cuidar no ser una fuente de contaminación.

Siempre atentos

Mantenimiento

The graphic features a central illustration of a maintenance worker in a blue uniform and cap, surrounded by various tools including a hammer, wrench, screwdriver, pliers, and a power drill. There are also icons for safety gloves, a hard hat, and a fire extinguisher. The text 'Siempre atentos' is written in a large, curved font at the top, and 'Mantenimiento' is at the bottom.
